When a donor commits to a donation, the system allocates the funds based on the designated plan, whether in cash, goods, or services.

The Donor Commitment

The donor's commitment in cash, kind or services

Donor management in D365 CE tracks relationships, donation history, and communications, enhancing fundraising efforts. It streamlines reporting, integrates with other systems, and allows users to manage donor info and commitments efficiently.

Manage Donor Information
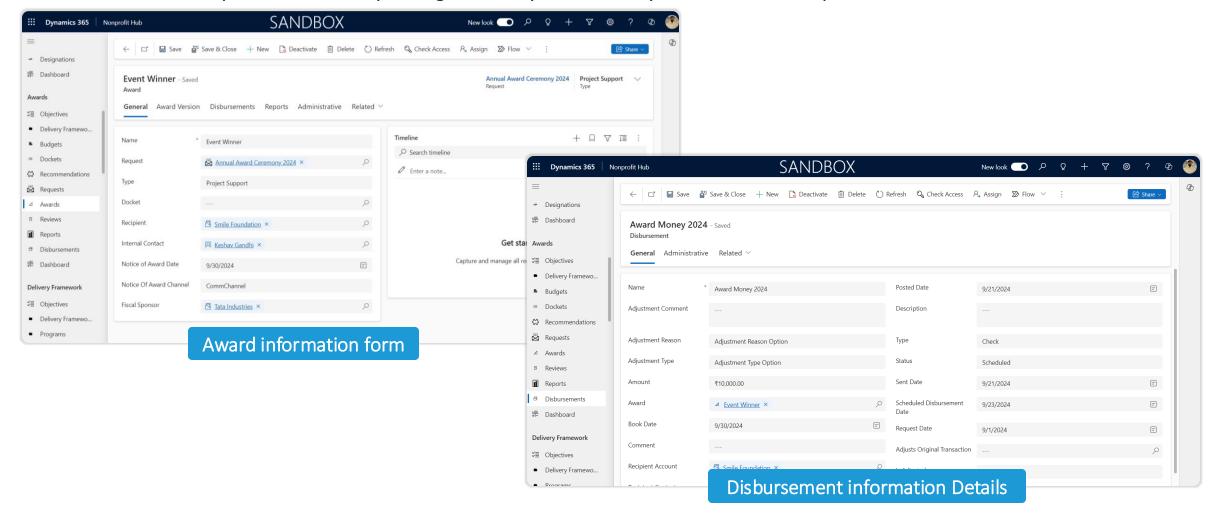

Check & Mange Donor Commitments

Constituent management in D365 CE helps non-profits manage relationships with donors, volunteers, and beneficiaries by tracking interactions, managing profiles, and analyzing engagement to improve outreach and strengthen connections.

Manage Household Information
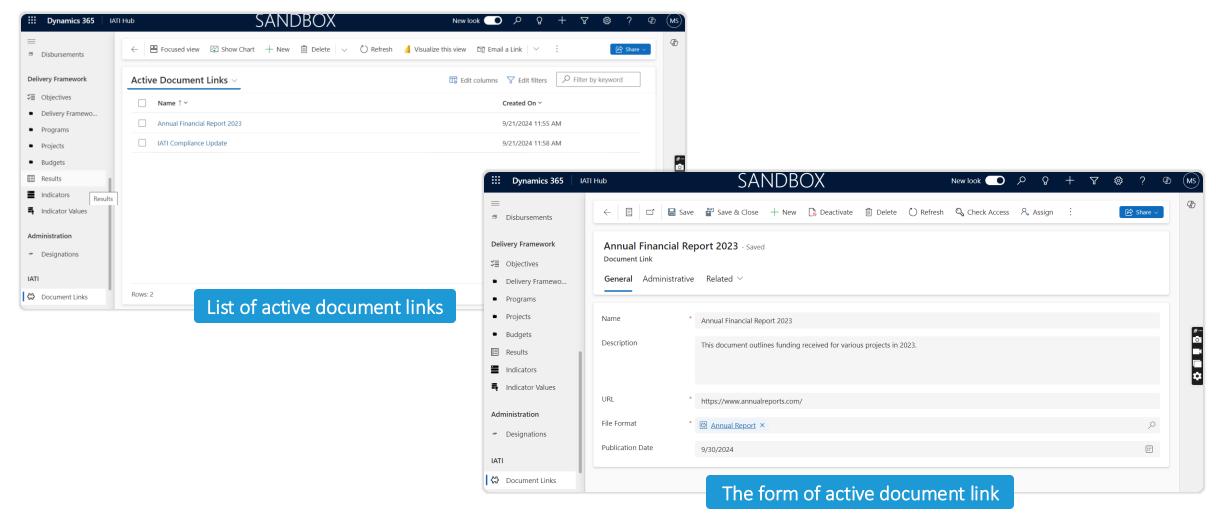

Check the list of Households Engagements

When a new volunteer is added in D365 CE, users can access a complete list of existing volunteers and view detailed information, including preferences, participation history, availability, and qualifications.

List of all the active Volunteer
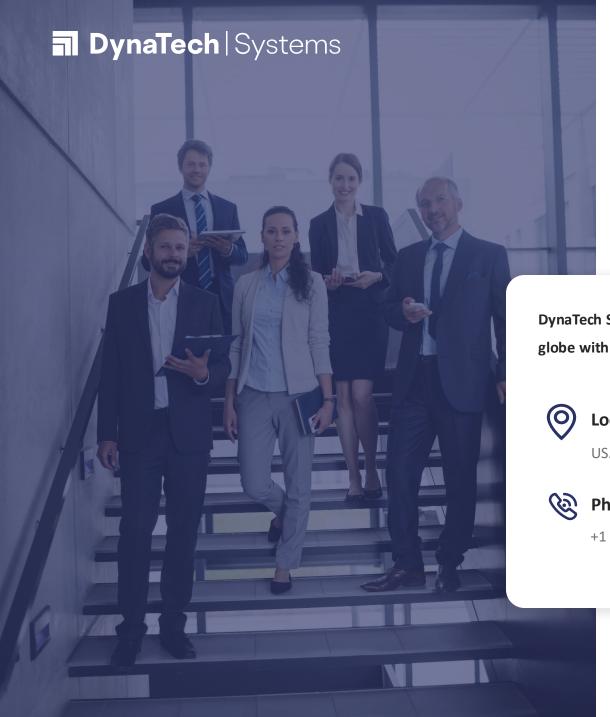

Details of a specific volunteer

Award management in D365 CE streamlines the tracking and management of grants and recognitions, overseeing applications, distribution, and compliance, while improving efficiency and visibility across the entire process.
