

Shipping Connector for D365 CE

Seamless Shipping Automation & Carrier Integration for Dynamics 365 CE

DynaTech's Shipping Connector empowers organizations to streamline logistics directly within Dynamics 365 Customer Engagement. By integrating UPS, FedEx, and USPS APIs, it eliminates manual processes, provides real-time visibility, and ensures accurate, efficient, and cost-effective shipping operations.

Accurate costs at checkout reduce disputes.

Automates tasks, reduces manual errors.

Frees staff from manual shipping coordination.

Features

Multi-Carrier Integration

Connect UPS, FedEx, and USPS accounts; manage by company, warehouse, or customer.

Flexible Shipping Options

Ship single/multiple boxes, process multiple sales lines, update dimensions/weights dynamically.

Smart Rate & Charge Management

Compare rates across carriers, apply contract pricing, add insurance or handling charges.

End-to-End Shipment Control

Generate and print labels, schedule/cancel pickups, reverse charges, and track shipments in real time.
