End-to-End Event Lifecycle Management

Empower associations to seamlessly plan, deliver, and measure events—onsite, virtual, or hybrid—with integrated registration, payments, sponsorships, and analytics.

Plan, schedule, publish, and manage events.

End-to-End Lifecycle

Organize sessions, tracks, abstracts, and speaker profiles.

Multi-Session & Speakers

Streamlined booking, invoicing, and payment processing.

Registration & Payments

QR-based check-ins, session-level tracking, and CEU assignment.

Check-in & Attendance

Collect participant feedback pre- and post-event.

Surveys & Feedback

Manage sponsorship tiers, benefits, and visibility.

Sponsorship Packages

Track attendance, engagement, ROI, and revenue.

Reporting & Analytics

Create events with detailed metadata: title, type (virtual, hybrid, onsite), location, capacity, agenda.

Manage event lifecycle stages:
Draft → Scheduled
→ Published →
Completed →
Archived.

Publish event details to member portal for easy discovery and registration.

Automate event notifications and reminders.

Define multiple sessions or tracks under a main event.

Assign and manage speakers with bios, photos, and session assignments.

Display speaker details on the portal for members to view.

Enable attendees to select specific tracks/sessions during registration.
